GLASS Prints: Our Glass Wall Prints are **eye-catching, impressive and memorable**. The standard photographic gloss prints with an incredible finish.

Printed directly onto rear of **6mm thick bevel edge safety glass**, plus rear wall bracket. Using the latest Digital Print Technology. High touch finish. Printed on **Toughened glass**, the edges and corners are bevelled.

Comes with a hanging solution where you mount supplied bracket to wall and glass and bracket then hangs from bracket. Mounting instructions included in packaging.

The Glass prints with the **GLASS***, will have the image printed on a metallic pearl based photo image media before mounting it to the glass. It results into a brighter print with a more vivid colour spectrum.

Metal Prints:Our metal wall prints are **eye-catching, impressive and memorable**. They are produced on a **3mm aluminium panel**. Image printed directly onto aluminium surface and coated **with a gloss varnish to create an immaculate finish**.

Our prints come **complete with wall mounts, fixings and instructions** for installation. Larger images with 3mm aluminium composite board plus rear wall bracket.

Smaller images with 3mm aluminium composite board plus rear wall bracket and cardboard fold-out stand.

The Metal prints with the **METAL***, will have an extra Gloss Or Matt Lamination Layer on top of the image print. **Gloss Lamination** is visually stunning with deeper, cleaner, crisper lines & colours and gives vibrancy to the image. It defective finish grabs attention.

Matt Lamination is often more described as an elegant finish. The matt soft finish is less reflective and more of a natural look. Your choice!
